MANA RETREAT

24-26 August 2018

with JULIET FORCH at MANA RETREAT, COROMANDEL

Over this weekend we will increase our awareness of the relationship between our Core and the peripheral body. The connection from our Centre to our limbs is made through all layers of the body.

As these energetic pathways of communication from the Core to the extremities becomes clear it is reflected in our movements - the Body experiencing a sense of Wholeness and Integration (rather than Fragmentation)
